## **Songbook: Steven Page '18 Tour**

Steven Page, a founder and former lead of the iconic band Barenaked Ladies, joins Toronto's highly inventive Art of Time Ensemble in an evening of seminal songs by Randy Newman, Radiohead, Elvis Costello, Barenaked Ladies, Leonard Cohen, Page himself, and others. These gems are reimagined and reinvented by some of the greatest minds in classical, pop, and jazz, and delivered by a defining voice in contemporary rock. SONGBOOK is chamber music for the modern era.
